

PINNACLE

Home services that move you.

When you list your home with a Berkshire Hathaway HomeServices California Properties agent, you will have access to the PINNACLE home services program.*

First impressions sell.

From major renovation projects to simple cosmetic fixes and professional staging, PINNACLE is designed to elevate every aspect of your home to make it market-ready. Your personal project coordinator will decide what is needed to move forward and assemble an elite team of design professionals, with the goal of maximizing your home's value and minimizing its time on the market.

All at no cost to you until your home closes escrow.** It's that simple.
